ABOUT THE INSTITUTION

Muthayammal Engineering College is located at Rasipuram, 25 km from Salem and Namakkal, Tamil Nadu. Muthayammal Educational Trust and Research Foundation, the Pride of Namakkal runs the Institution effectively since the year 2000. It is committed to uplift the rural community educationally in a stimulating learning environment. It is a co-educational self financing institution approved by AICTE, New Delhi and affiliated to Anna University. It offers 7 U.G. Program and 10 P.G. Program. The college has got NBA accreditation for 4 UG program. Muthayammal Engineering College has been granted Autonomous Status by UGC with effect from the Academic year 2016-17.

VISION

To impart quality technical education and to promote innovative research in frontier areas of Electronics and Communication Engineering

MISSION

Quality Education – To guide the students to face the challenges ahead in terms of communication technology

Research and Development – To make the department as the centre of Excellence in Research and Development

Professionalism – To make the students to practice in the area of Electronics and Communication Engineering for the betterment of the society

ABOUT THE DEPARTMENT

The Department of ECE has 40 highly qualified and experienced faculty members with various specializations. The Department has well equipped laboratories such as Electronic Devices and Circuits Lab, Communication Systems Lab and Digital Signal Processing Lab. The department is also awarded the Center of Excellence for Research and Advanced Studies by Anna University, Chennai.

OBJECTIVES OF THE HANDS ON TRAINING

The objective of this hands on training is to enable the participants to gain the working knowledge in IoT, that allows objects to be sensed or controlled remotely across existing network infrastructure. It is also creating opportunities for more direct integration of the physical world into computer-based systems, and resulting in improved efficiency, accuracy and economic benefit in addition to reduced human intervention.

This hands on training will provide the knowledge in IoT is expected to offer advanced connectivity of devices, systems, and services that goes beyond machine-to-machine (M2M) communications and covers a variety of protocols, domains, and applications.

RESOURCE PERSONS

Dr.VIMALATHITHAN RATHINASABAPATHY,
KRISHTEC R&D(5G)
Coimbatore

PARTICIPANTS

PG and UG students of ECE Department from AICTE and Anna University approved Engineering and Technology Institutions are invited to attend this workshop.

REGISTRATION FEE DETAILS

UG Students	:	Rs.600
-------------	---	--------

Demand Draft for the registration fee should be drawn in favour of “**The Principal, Muthayammal Engineering College**” payable at **Rasipuram**. The registration fee includes workshop kit, refreshment and lunch.

The filled in Registration form along with the DD should reach us on or before **04th September 2017**.
