Papers Published in International Journals / Conference

2017-2018

S.No	Name of the Student	Title of the Paper	Name of the Conference	National / International
1	ARIUDHAI NAYAGHI G	Pattern for Wagon Trailing	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
2	INDHUMATHI M	Secure data sharing and spilting using slicing in Cloud Computing	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
3	PAVITHRA P R	An Optimal Multi- Server Configuration for Profit Maximization to the Customer Expectation and Satisfaction	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
4	KARTHICK R	Smart Infrastructure in Monitoring Cattle Farm using IOT	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
5	CHITRA JAYASHREE G	Framer and Consumer Relationship Management using Structural balance Theory	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-	International

			2018)	
6	CHRISTINAL MAGIMAI S	Analysis and Augmentation of Mobile based Women haven Provision	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
7	DEENADAYALAN K G	System Health Care on Life Style Modification	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
8	KARTHICKRAJA K	A Person disease identification using android based on biometrics	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
9	DEEPIKA S	Patient monitoring and DIET with BMI calculation	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
10	BASKAR S	Utilization of online Ballot system	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD- 2018)	International
11	JEEVANKUMAR P	Web traffic analysis	International Conference of Innovations in Science, Engineering and	International

			Technology for Sustainable Development (ISETSD-2018)	
12	KARTHIKA M	An Efficient Hybrid Cloud Approach de-duplication in large database	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
13	KARTHI T	Embedding information into 2D barcode with an image	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
14	PAVITHRA G	Travel route recommendation System Using API key	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
15	SANGEETHA S	Wireless Scalable Smart Native System	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
16	KOKILA R	Render Undetectable Passwords for Online Banking	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International

17	PRAKASH C	Students Background Verification	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
18	MOHANAPRIYA S	Health Monitoring System Using Web Page	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
19	KARTHICK S	Network based intrusion detection system	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
20	UDHAYA KUMAR S	Multiple Authorization With Comprehensive Proof Storage, Public Auditing in Cloud	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
21	PREETHI M	Providing user security Guarantees in public infrastructure clouds.	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
22	GOWSALYA U	Overcome of Steganography Algorithm Information hiding in RGB images	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-	International

			2018)	
23	SANTHOSH B	Online Blood Bank Management	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
24	SOWNTHARIYA V	A light weight secure data sharing scheme for mobile cloud computing.	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
25	PRASANTH P	A Stable Approach for Routing Queries in Unstructured P2P Networks	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International
26	SIVAKUMAR K	ID2s Password Authentication Key Exchange	International Conference of Innovations in Science, Engineering and Technology for Sustainable Development (ISETSD-2018)	International

Papers Published in International Journals / Conference

2016-2017

S.No	Name of the Student	Title of the Paper	Name of the Conference	National / International
1	S.Ravikumar	Distributed Adaption of quantized feedback for downlink network MIMO system	International Journal of Modern Trends in Engineering and Science”	International
2	V.Krishnaraj	Fully Homomorphic Public Key Encryption for data sharing in cloud storage	International Journal of Modern Trends in Engineering and Science”	International
3	S.Elamathi	Two level auditing Architecture to maintain file consistent in cloud	Proceedings of the International Conference on Innovations in Information, Embedded and Communication Systems (ICIECS' 17)	International
4	V.Nirmithavani	Privacy-preserving and priority based congestion control for VANET	International Journal of Computer Applications,	International
5	K.J.Priyanka	Segmentation and classification of brain MRI images using improved LOGISMOS-B algorithm	Proceedings of the International Conference on Innovations in Information, Embedded and Communication Systems (ICIECS' 17)	International
6	R.Divya	Segmentation and classification of skin lesions based on texture features	International Journal of Computer Applications,	International

7	S.Dharashanapriya	Fuzzy based encryption protection for efficient publisher/subscriber system in cloud	Proceedings of the International Conference on Innovation in Communication, Information and Computing (ICICIC'17),	International
8	G.Nagarathinam	Detection of diabetic retinopathy using splat feature classification in fundus image	Proceedings of the International Conference on Innovation in Communication	International
9	R.Usharani	Lip password based speaker verification system using Lip motion segmentation and SVM classification technique	Proceedings of the International Conference on Innovation in Communication	International
10	S.Janani	A method to provide minimized bandwidth consumption using regenerating codes in cloud storage	Proceedings of the International Conference on Innovation in Communication	International
11	R.Anupriya	Detection of repeated mikt traumatic brain injury by visual imaging	Proceedings of the International Conference on Innovation in Communication	International
12	V.Krishnaraj	semi supervised learning for lung nodule classification	International Journal of Computer Applications,	International

**Papers Published in International Journals / Conference
2015-2016**

S.No	Name of the Student	Title of the Paper	Name of the Journal Volume Pages	National / International
1	ABARNA V	Taxi ridesharing using android smart phone mobile application	International Journal of Innovative Research in Computer and Communication Engineering Open Access Journal (241-247)	International
2	KEERTHANA S	Taxi ridesharing using android smart phone mobile application	International Journal of Innovative Research in Computer and Communication Engineering Open Access Journal(241-247)	International
3	JOTHISHA G	Effective authentication scheme for distributed mobile cloud computing services	International Journal of Innovative Research in Computer and Communication Engineering Open Access Journal(241-247)	International
4	SUVITHA D	Effective authentication scheme for distributed mobile cloud computing services	Journal of Electrical Engineering and Electronic Technology (397-419)	International
